ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

---

This application was electronically received at the Board of Patent Appeals and Interferences on February 9, 2004. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

A Supplemental Information Disclosure Statement (IDS) was filed on January 4, 2002. However, there is no listing of the references attached to the IDS. Appropriate correction is required.

Application 09/819,943

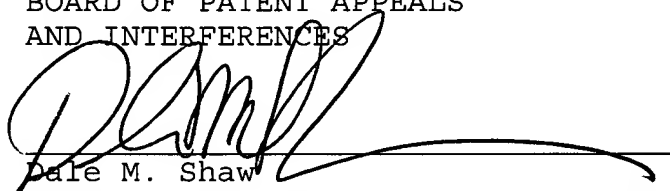

Accordingly, it is

**ORDERED** that the application is returned to the Examiner to: 1) obtain a listing of the references cited in the IDS; 2) give appropriate consideration of said IDS and 3) for such further action as may be appropriate.

It is important that the Board of Patent Appeals and Interferences be informed promptly of any action affecting the appeal (i.e., abandonment, issue, reopening prosecution).
